

Tufloc TufBox SUV Cargo Storage Drawer

Product Text

The Tufloc Tufbox SUV Cargo Storage Drawer equips law enforcement vehicles with a convenient way to securely store guns, gear, or evidence.

Engineered for law enforcement officers who require security and uncompromising reliability, this welded-steel cargo storage drawer is built to withstand the toughest demands.

Everything stays organized and ready for quick retrieval. It is available in multiple sizes to make the most of a vehicle's cargo space.

- Constructed from 12-gauge, powder-coated steel, the Tufbox can withstand the rigors of daily use while offering both easy access and reliable performance.
- Designed to hold up to 200 pounds, the full-extension ball-bearing slides allow for easy access to contents.
- The standard T-handle key lock can be upgraded to a combination lock with a key override.
- The optional base allows access to the spare tire and provides storage space.
- TufBox accessories allow you to organize the drawer for optimal storage.
- Easy installation, no drilling required.

Recommendation

There are three variables for Tufbox SUV Cargo Drawers:

1. Size (based on vehicle)
2. With or without base.
3. Choice of lock (t-handle with key or combination lock with key)

Please see the included Excel file for a listing of variations and the applicable part numbers. This file is provided to make it easier to import the data into an e-commerce platform.

Tufloc recommends listing these variables as options under a single product listing. Please see <https://tufloc.com/cargo-drawers/suv-cargo-storage-drawer> for an example.
