

03.W132  
Alternating Grille or Deck Light Flasher  
INSTRUCTIONS

**Attention Installers: This flasher must be installed by a qualified technician.**

It is the final responsibility of the installer of flashers to determine their compatibility with the vehicle make and model in which they will be installed. Incorrect wiring of flashers could result in costly problems or even permanent damage to the vehicle's computer module.

**NOTE:** Do not install any **SHO-ME**® headlight flashers on 2000 model year or newer Dodge Durangos or Dodge Dakotas. Our flashers are **not** compatible with these vehicles and may lead to the failure of their computer systems.
